

COSMETOLOGY PROGRAM

Cosmetology Program encompasses a powerful, all-inclusive cosmetology curriculum, delivered through a scientific, step-by-step, hands-on learning experience in classroom work in styling, cutting, chemical and color work.

The program is designed to allow students the opportunity to apply their knowledge and skills by working on clients in our student salon under the constant supervision of our professional instructors.

These courses are:

- 1.** Hair cutting,
- 2.** Shampooing,
- 3.** Rinses and hair arranging (styling),
- 4.** Hair coloring,
- 5.** Highlighting,
- 6.** Chemical waving,
- 7.** Relaxing,
- 8.** Hair removal,
- 9.** Manicuring,
- 10.** Pedicuring,
- 11.** Facials,
- 12.** Make-up,
- 13.** Scalp or Hair treatments and Hair Pieces.
