

ACADEMY

Glory of Newyork Beauty & Spa Academy (GNYBSA)

GNY Beauty and Spa schools prepare professionals to offer a variety of beauty services and relaxation therapies.

With more and more people seeking beauty and wellness treatments, GNY train aspiring professionals to cater growing need of beauty and wellness market.

GNY Academy, education and training courses includes anatomy of human body, effects of various physical therapies and beauty techniques.

In addition to education and the hands-on training to the students, GNYBSA also offer business basics and skills to communicate with customers, handle transactions, appointments, customer services, etc.

Our trained professionals are qualified to own, run and manage the spa, beauty clinics and wellness centers.

GNYBSA provide the necessary education, training, and skills to help you pass any required state licensing exams, if you're interested in a BWS (Beauty, Wellness and Spa) career.
