

Anti Wrinkle Cream

ACTIVE SKIN YOUTH RECOVERY CREAM

FOR NORMAL TO COMBINATION SKIN

1. An anti aging hydrator with the renewing and reparative benefits of a full night's sleep.
2. Stop process of early wrinkles.
3. This cream helps skin recuperate while supporting natural cellular renewal.
4. Recommended for normal to combination skin types, skin looks more refreshed upon waking, and the appearance of fine lines and wrinkles is diminished.

SUGGESTED USAGE:

Warm cream in palms and press firmly into face.

BENEFITS:

1. Supports natural cellular renewal; acts as 'fuel' for the skin with an energy molecule that performs most effectively at night when skin can best accept nourishment.
2. Supports natural cellular renewal by improving key cellular communication, fortifying skin against environmental aggressors.
3. Helps repair dermal damage and helps collagen fibers self-repair, focusing on damaged areas; leaves skin feeling younger and smoother in the morning.

ADVANCED ALL NIGHT REPAIR CREAM

1. Essential Night Treatment was developed in the interest of youth and beauty.
2. Liposome's, deliver essential ingredients to dry and damaged skin cells utilizing a natural slow-release process.
3. This is a natural approach to dealing with the changes our skin goes through due to stress, environmental damage and chronological aging.
4. Apply the serum for several days prior to airplane travel to help counter the drying effect flying has on the skin.
5. Liposome delivery system.
6. Contains Natural Plant Extracts.
7. Helps repair dry and damaged skin cells.
8. Contains time released moisturizing enzymes.

ANTI WRINKLE CREAM

1. Perfect method of natural treatment for the removal, remedy, prevention and cure of wrinkles.

2. Excellent complete herbal care for Wrinkles.

3. As well as it is a miracle smoother, natural moisturizer, and skin softener.

4. Wash face thoroughly with warm water. For best results use GLORY FACIAL CLEANSING to clean your face and other areas, because glory facial cleansing opens skin pores and facilitates deeper penetration and absorption of cream.

5. Apply a thin layer of cream over the wrinkles area.

6. Gently massage for a couple of minutes and then apply another layer just thick enough to conceal the wrinkles. Leave it on to get it absorbed in the skin.

FOR LONG LASTING EFFECT:

1. Use with Glory Enzyme Peel to remove dead skin from face and skin.

2. Apply the cream anywhere on the body including face, neck and hands.

3. Let the cream get absorbed. First it turns into a thin flaky white layer. This is normal.

4. Give it some time and it will slowly moisten, transparent and form invisible film that supplies nutrients and curing properties to skin.

5. Use Glory Moisturizer after 30 minutes of absorption of glory Anti Wrinkle Cream.

COLLAGEN PERFORMANCE CREAM

1. A very rich but light-weight cream suggested for night-time use for skin that shows signs of dryness and aging.

2. Glycolic Acid 6% helps to exfoliate dead cells and soften the appearance of fine lines.

3. Use on a continuing basis for best results to help refine skin and maintain a youthful glow.

4. Apply a small amount over the face and neck area after cleansing.

5. Avoid eye area.
