FAIR AND GLOW CREAM

Fair and Glow product is a proven natural skin treatment for Glowing Skin and Fair Complexion.

INDICATION:

1. Improves complexion of the skin and adds a healthy glow to the skin.
2. Cleans, softens and smoothens the skin and keeps it fair, young and healthy.
3. Wash face thoroughly with warm water. For best results use GLORY FACIAL CLEANSING to clean your face and other areas, because glory facial cleansing opens skin pores and facilitates deeper penetration and absorption of cream.
4. Apply a thin layer of cream over the face and other areas. Gently massage for a couple of minutes and then apply another layer just thick enough to conceal the skin.
5. Leave it on to get it absorbed in the skin.

FOR LONG LASTING EFFECT:

1. Use with Glory Enzyme Peel to remove dead skin from face and skin.
2. Apply the cream anywhere on the body including face, neck and hands. Let the cream get absorbed. First it turns into a thin flaky white layer. This is normal. Give it some time and it will slowly

moisten, transparent and form an invisible film that supplies nutrients and curing properties to skin.

3. Use Glory Moisturizer after 30 minutes of absorption of glory fair and glow Cream.
