Make-up Application

We can help transform your eyelashes for a longer, thicker, more natural and defined look!

Applying one lash at a time onto existing natural lash we will transform your lashes into lush, beautiful and longer eyelashes.

Eyelash Extensions are incredibly long lasting and

weightless on your eyelash.

They are resistant to water, showering, sweat, exercise, tears, swimming and even sleeping.

Whether you are going to the beach, getting married or planning a big night out, our eyelash extension treatment will last 2-3 weeks.
