

MANICURES

Natural Manicure

This vegan manicure focuses on cleansing and exfoliation using herbal extracts and essential oils of Juniper, Lavender, and Geranium.

You'll leave with cuticles tended, and nails trimmed and buffed for a healthy, natural look.

Express Manicure

Perk up the appearance of your hands with a nail and cuticle tidy, moisturizing lotion application, and buff or polish of your choice.

Shape, cuticle, exfoliation paraffin treatment then a massage with oil infused with vitamins A and E to nourish the skin.

Includes your choice of polish.

Pick your own scent.

GNY signature Manicure

A signature manicure and pedicure favorite, this begins with a gentle cleansing, followed by exfoliation using microalgae and mineral salts.

**Nail service enhancements include a French manicure or pedicure or a paraffin manicure or pedicure.*

All manicures include trimming and shaping of the nail, cuticle treatment, massage, wax dip and polish.
