

FACIAL TREATMENTS

Age Control Facial

Turn back the proverbial clock with this comprehensive and luxurious treatment that hydrates, detoxifies, lifts, and firms. GNY products combine the best scientific ingredients to address aging concerns for these four areas—the face, neck, décolletage, and hands.

Brilliant Treatment

The latest skincare product technology and techniques deliver an unparalleled anti-aging treatment for those wishing to see a noticeable change. Markedly diminishes the appearance of fine lines, wrinkles, and age spots. This is an ideal treatment for weddings, interviews, or other special occasions. Please schedule appointment for a day or two before the event.

Classic Facial

Melt away signs of stress and fatigue with this spa facial treatment. Perfect for all skin types, this hydrating facial produces a truly healthy, radiant glow. We begin with a thorough cleanse and skin analysis, followed by an exfoliation, treatment mask, and a face, neck and shoulder massage.

Custom Facial

Tailored to your specific needs, a trained GNY Spa esthetician will create a custom facial that addresses skin concerns such as acne, rosacea, or extra dry skin. Pharmaceutical-grade ingredients and advanced delivery techniques are employed to obtain maximum results.

Customer's Choice Facial

Experience a precisely formulated facial to directly target your skin's needs. Choose from our Rejuvenating Facial to combat aging and reveal your skin's radiance, or the Hydrating Facial restoring moisture and balance to dry and damaged skin. The Lift Eye Contour and a hand treatment are included in this comprehensive facial.

Organic Facial

Pure, organic botanical extracts and aromatherapy are used to replenish and nurture your skin from the inside out. Energy points in the hands, feet, and "heart center" are stimulated through the use of heated river rocks. Gentle, green, energy balancing, and all natural. A relaxing facial to pamper your skin. Includes cleansing, toning and hydrating techniques, with minimal

extractions included. Followed by a neck and shoulder massage and hand treatment.

Deep Cleansing Facial

This purifying facial is suggested for congested, dull skin. A rebalancing detoxifying treatment prepares for extraction of clogged pores. A calming mask restores the skin, strengthens texture and enhances skin's ability to hold moisture. Our recommended treatment to achieve a smooth, clear complexion.

Express Facial

The perfect day spa facial—eliminate the appearance of tired, dull skin with this GNY moisturizing facial that also incorporates a relaxing head and neck massage.

Micro-Current Non-Surgical Face Lift

This revolutionary "lifting facial" uses deep tissue microcurrent stimulation to instantly tone, lift, firm and re-educate tired muscles. A vitamin C firming mask tightens and deeply hydrates skin. Our hand treatment is the finishing touch.

Signature Grand Spa Facial

The ultimate in luxurious relaxation while renewing your complexion. It includes deep cleansing of the pores, dual exfoliation, our Lift Contour Eye Treatment, a renewing peel-off mask and hydrating treatments for hands and feet.

Skin Exfoliation Facial Peel

Customized exfoliation treatments significantly improve texture, reduction of fine lines, wrinkles, blemishes, and discolorations, providing anti-aging benefits for your skin.
