SPAS

WELCOME to Glory of New York (GNY) Spa and Beauty Clinic.

Our USA born, spa features natural products used signature massages, facials, make up, body treatments and nail therapies in a modern, organic setting.

We welcome you to the lap of nature with extended hours to meet your busy schedule.

Glory of New York services feature customized aromatherapy, a purifying foot soak to begin your relaxation, signature facial, full body, head, hand and foot massage, and a personalized intimate massage.

Each service is unique, like our each guest we serve. We aim to provide an exceptional spa experience for each and every guest.

With highly customized skin and body treatments, we tailor your experience with elements that are uniquely authentic natural products of GNY.

Are you are self-professed spa enthusiast? we invite you to embark upon your personal wellness journey by joining the GNY Elite Club.

Enjoy reduced member pricing on all Glory of New York spa services and receive exclusive member benefits year-round.

OUR SERVICES

GNY for MAN and WOMAN

GNY Spa has developed a variety of services for our male and female clients.

Each treatment is designed to perfectly satisfy the unique needs of our guests based on skin, color, tissue, hair, age, life style, health conditions and various demographic conditions.

Beside being effective and revitalizing, these spa therapies are extremely relaxing.

GNY provides advanced therapeutic facial care to cope with all the skins natural imbalances as well as environmental impurities.

Our dermal analysis and home care consultation are complimentary and with no further obligation.

Let us help you decide on the best regimen that will produce long lasting results and suits your skincare needs.
