2. This gentle, lightweight formula contains Moisture Detox Complex which strengthens skin cells and moisturizes the delicate eye area.
3. It sweeps away without leaving any oily residue. It is suitable for contact lens wearers.
4. Sweep over closed eyelid with cotton pad.
5. Wait a few seconds, then wipe gently downward.
6. Repeat the step when needed.
7. Strengthen the skin cell and on-going moisturizing, against free radicals.

SEA SALT MINERAL TREATMENT

1. The healing properties of the mineral-rich Dead Sea have been used since ancient times.
2. Sensation Mineral Treatment combines the salts from the Dead Sea with luxurious natural oils including, grape seed, avocado, almond, orange, jojoba, grapefruit, and safflower.
3. The salt serves as an exfoliate which helps reduce the build up of keratin (dead skin cells) which can clog pores and prevent the skin from growing in a healthy manner.
4. The natural oils serve to nourish, soften, and condition even the driest hands and feet, leaving them velvety-soft and smooth.

INDICATIONS: Hands and feet exfoliate.

DIRECTIONS: Exfoliate your hands and feet with dead sea salt products, and be sure to follow up with moisturizing line.

Spa Range - Shampoo

CONDITIONING SHAMPOO

1. Gentle enough to use every day.
2. It cleanses the hair and scalp while restoring a natural moisture balance.
3. Enriched with conditioners to leave hair clean, soft and manageable with no greasy build-up - High lathering formula does not strip hair of natural moisture or color.
4. Safe for color-treated/hair. Protect from hair loss and anti-dandruff

BEST RESULT WITH:

1. Massage your scalp firmly with your fingertips.
2. Leave the shampoo in your hair for about a minute.
3. Rinse with hot water. Don't use your hands to facilitate the rinsing, as this can also damage your hair.
4. Just let the water run through until the shampoo has completely rinsed out.
